What to do:

Strict adherence to the dress code: Follow school requirements - skirt length, how to wear the shirt, trouser style, and color combinations.

Selecting a comfortable size: Wear convenient clothing that does not restrict movement and provides comfort throughout the day.

Maintaining cleanliness: Take care of the uniform's cleanliness and neatness- ironed and clean clothes last longer and maintain an ideal look.

Labeling belongings: Write your first and last name on all items to prevent them from getting lost.

Following footwear and accessory rules: Wear permitted, simple, closed-toe, single-color shoes.

It is advisable to have spare items: Keep an extra white shirt and standard socks to avoid unforeseen situations during the week.

What Not to Do:

Unauthorised Alterations to the Uniform: Avoid modifying the clothes- do not shorten skirts, do not alter pants to an unacceptably tight fit.

Outerwear: Do not wear hoodies, brightly colored blazers or jackets that are incompatible with the school uniform.

Excessive Accessories: Avoid eye-catching jewelry, brightly colored socks, non-standard hats or makeup, do not dye your hair.

Wearing Damaged Uniforms: Do not wear torn, unraveled, missing-buttoned or severely faded clothing.
